SPEAKER. AUTHOR. ESTATE WHISPERER.

“YOUR PRESENTATION WAS SO THOROUGH,  
AND THE TOPIC IS SO IMPORTANT.”

– S.B. MARYLAND

“WOW! YOUR PRESENTATION WAS TRULY  
WONDERFUL AND INFORMATIVE! THANK YOU!!!”

– J.K. NEW YORK

Eileen Moynahan spent decades working criminal investigations before deciding to pivot in 2016 and launch her estate-administration business, Legacy Estate Organizing. It turns out that the investigative skills she developed over the years lend themselves marvelously to finding money! Now Eileen is fortunate to spend her days searching for assets and helping her clients resolve their loved one's estate with compassion and respect. For a somewhat irreverent, how-to guide, see Eileen's recently-published book *After the Funeral: A Practical Memoir for Administering Your Loved One's Estate*.
